How to contend for God's will and wrestle with the powers of darkness for the cause of Christ has been a hot topic for years, throughout the body of Christ. Spiritual warfare and intercessory prayer has been encapsulated, methodized, and trivialized often portraying Satan and his demonic principalities as mere defeated imps that quiver when any Christian comes against their agenda in the name of Christ. This volume will clear up much confusion and set the serious disciple on the right course in becoming effective in prayer and spiritual warfare.
