Running Wild: Dispelling the Myths of the African Wild Dog

John McNutt, Lesley Boggs

Running Wild: Dispelling the Myths of the African Wild Dog John McNutt, Lesley Boggs

Wild dogs were once treated as vermin in African game reserves and shot on sight. Only recently have conservationists halted this indiscriminate slaughter, but they are almost too late to save this magnificent African carnivore. The photographs and text in this book closely document the life of a pack of dogs living in the Moremi Wildlife Reserve in northern Botswana, celebrating their untamed existence but also pointing out the vulnerability of the species in Africa. This captures the wild dogs at play, with their young, hunting and eating.
