Slot Machine Gambling: The Good - The Bad - The Ugly Clarence E. Riley

Slot machine gambling for entertainment has become a part of society that is as common as the night club. In fact, many people, who once attended night clubs, find that slot machines can be more exciting than most popular modern night clubs, but this is not necessarily a good thing. One very important negative affect of playing slot machines is the fact that they can be more addictive than the drugs some people use before and after attending night clubs. Another important fact is that slot machine gambling is one of the most expensive entertainment habits a person can have. With that said, this book has been written to make the reader aware of the good, the bad, and the outright ugly effects that gambling can have on one's life and the lives of his or her family members. I encourage you to read this book as often as possible and be aware of its content if you or your loved ones are casino slot machine players.
