Dane survives, but loses his memory. Who is he? Does he have a family somewhere? And will his trust in God help him find his way back home? THE FRONTIER DOCTOR TRILOGY

Countless perils menaced the settlers of the vast wilderness, and one of the most severe was the scarcity of medical care. Risking his own life by day or by night, in all kinds of weather, the frontier doctor was a rare, unsung hero of the West.

Strong Heart, Able Hands

Dr. Dane Logan and his wife, Tharyn, are happily settled in Central City and considering the right time to start a family. Their medical practice in the little mining town keeps them busy with everything from new babies and appendicitis to gunshot wounds and a rancher gored by a bull. It's almost more than one doctor can keep up with. Then when the stagecoach he's riding in crashes down a ravine, Dane awakens with a head injury—and no idea who he is. Will his trust in God help him find his way back home?
