The Madwoman Upstairs: A Novel Catherine Lowell

In Catherine Lowell's smart and original debut novel—"an enjoyable academic romp that successfully combines romance and intrigue" (*Publishers Weekly*)—the only remaining descendant of the Brontë family embarks on a modern-day literary treasure hunt to find the family's long-rumored secret estate, using only the clues her father left behind and the Brontës' own novels.

Samantha Whipple is used to stirring up speculation wherever she goes. Since her eccentric father's untimely death, she is the presumed heir to a long-rumored trove of diaries, paintings, letters, and early novel drafts passed down from the Brontë family—a hidden fortune never revealed to anyone outside of the family, but endlessly speculated about by Brontë scholars and fanatics. Samantha, however, has never seen this alleged estate and for all she knows, it's just as fictional as *Jane Eyre* or *Wuthering Heights*.

But everything changes when Samantha enrolls at Oxford University and long lost objects from the past begin rematerializing in her life, beginning with an old novel annotated in her father's handwriting. With the help of a handsome but inscrutable professor, Samantha plunges into a vast literary mystery and an untold family legacy, one that can only be solved by decoding the clues hidden within the Brontës' own works.

A fast-paced adventure from start to finish, *The Madwoman Upstairs* is a smart and original novel and a moving exploration of what happens when the greatest truth is, in fact, fiction.

From reader reviews:

Justin Fernandez:

What do you concerning book? It is not important along? Or just adding material if you want something to explain what the one you have problem? How about your time? Or are you busy individual? If you don't have spare time to try and do others business, it is gives you the sense of being bored faster. And you have time? What did you do? Everybody has many questions above. The doctor has to answer that question because just their can do that. It said that about e-book. Book is familiar on every person. Yes, it is correct. Because start from on kindergarten until university need this kind of The Madwoman Upstairs: A Novel to read.

Federico Hayward:

People live in this new morning of lifestyle always try to and must have the free time or they will get lot of stress from both daily life and work. So , if we ask do people have free time, we will say absolutely sure. People is human not a robot. Then we ask again, what kind of activity do you possess when the spare time coming to a person of course your answer will probably unlimited right. Then do you ever try this one, reading publications. It can be your alternative in spending your spare time, the book you have read is The Madwoman Upstairs: A Novel.

Travis Mahon:

Playing with family in a very park, coming to see the sea world or hanging out with good friends is thing that usually you may have done when you have spare time, after that why you don't try issue that really opposite from that. 1 activity that make you not experience tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of knowledge. Even you love The Madwoman Upstairs: A Novel, it is possible to enjoy both. It is very good combination right, you still need to miss it? What kind of hang-out type is it? Oh seriously its mind hangout fellas. What? Still don't obtain it, oh come on its called reading friends.

Joel Padilla:

Is it anyone who having spare time in that case spend it whole day simply by watching television programs or just lying on the bed? Do you need something new? This The Madwoman Upstairs: A Novel can be the solution, oh how comes? The new book you know. You are therefore out of date, spending your free time by reading in this brand-new era is common not a geek activity. So what these publications have than the others?
