Go! with Microsoft Office Powerpoint 2003 Brief Shelley Gaskin

Written for a diverse audience (all ages, different educational backgrounds, varying educational goals), this book allows for self-paced or online learning. The primary goal of *GO! Series: Microsoft PowerPoint 2003 Brief Edition* is to teach Microsoft PowerPoint 2003 quickly and easily, with an approach that is based on clearly-defined projects. A key feature of the book is the use of Microsoft procedural syntax: steps begin with *where* the action is to take place, followed by the action itself. The instruction is error-free, clearly written, and logically arranged. This book provides users with the skills to solve business problems using the computer as a tool. The Brief edition covers the following topics: getting started with PowerPoint; creating a presentation; and formatting a presentation. An efficient and handy guide for anyone who would like a good working introduction to PowerPoint 2003.
