Islam Denounces Terrorism

Harun Yahya

Islam Denounces Terrorism Harun Yahya

One of the unfortunate effects of 9/11 was the misperception that terrorism has divine approval in Islam. Islam Denounces Terrorism thoroughly debunks this notion by looking at both the Qur'an and the historical record. With extensive color illustrations, the book covers such timely topics as Islamic morality, how the Qur'an views war, the real face of the terrorists who act in the name of religions, and much more.
