## **Shadows Over Longbourn** Jann Rowland

The approaching death of Mr. Bennet threatens to leave his five young daughters at the mercy of the vengeful Mr. Thaddeus Collins. But Mr. Bennet plays one final desperate card before he passes, calling on his distant relatives—the Darcys—to provide his children with a home. Removing themselves to Pemberley after their father's death, the girls are protected by the estate's current master, Mr. Fitzwilliam Darcy, who looks after them as conscientiously as he does his own sister. When chance takes the Bennets and their Darcy relations to the estate leased by Mr. Bingley, little do they know that their father's thwarting of Mr. Collins has only fanned the flames of his envy and hatred. He is determined to secure a Bennet daughter as a wife for his son, and he will stop at nothing to accomplish his goal. Elizabeth has become consumed by love for Mr. Darcy, but since he remains oblivious to her feelings, Elizabeth's desperation forces her to consider going into service as a governess, if only to obtain some distance from the object of her affection. But Mr. Collins has no intention of letting Elizabeth escape his grasp so easily, and everything finally comes to a head when he meets with her in an explosive showdown.
