## **The Bamboo Sword** Margi Preus

Master writer Margi Preus treats readers to an amazing adventure in 1853 Japan. This lyric novel follows Yoshi, a Japanese boy who dreams of becoming a samurai. Unfortunately, as part of the serving class, Yoshi can never become a warrior. He is taken up by Manjiro, the protagonist of Preus's *Heart of a Samurai*, and becomes his servant and secret watchdog. Meanwhile, Commodore Matthew Perry and his USS *Susquehanna* squadron of steamships arrive in Edo Bay demanding that Japan open its ports to foreign trade. Aboard the commodore's flagship is Jack, a cabin boy who becomes separated from his American companions. He and Yoshi set out on a grand adventure to return Jack to his ship before he is discovered by the shogun's samurai.
