O. K. Bouwsma

Bouwsma's Notes on Wittgenstein's Philosophy, 1965-1975 (Studies in the History of Philosophy) O. K. Bouwsma

Ronald Bouwsma's notes focus on sections of the "Philosophical Investigations" and "Blue Book" with the aim of helping the reader understand the insights which Wittgenstein brought to philosophy. Wittgenstein's writing is indirect, fragmented, and presupposes an occupation with specific philosophical problems. Established philosophers argue over the simplest interpretations, such as whether he was an empiricist, nominalist or sceptic. Bouwsma's work helps the reader appreciate Wittgenstein's insights. Bouwsma understands and can demonstrate how to apply Wittgenstein to the theories of other philosophers such as Descartes, Plato, and St. Augustine. This volume should be useful as a reference for philosophers and students working with the "Philosophical Investigations" and "Blue Book".

Gregory Rivera:

As a college student exactly feel bored to reading. If their teacher questioned them to go to the library in order to make summary for some book, they are complained. Just little students that has reading's soul or real their passion. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that examining is not important, boring and also can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this Bouwsma's Notes on Wittgenstein's Philosophy, 1965-1975 (Studies in the History of Philosophy) can make you truly feel more interested to read.
