This Dairy of Friendly Ask K and Pikachu is one you would enjoy reading. Here is an excerpt of the book: "It was another beautiful day in the region of Kalos. The sun was shining. The Flying-types were singing, further attesting their joyful gratitude to the simple and peaceful life they lived. The flowers were in bloom, enriching the land with fragrant blends of soft colors and scents. It was an ideal day to travel out in the open and wild fields as Ash and his friends continued their journey to fulfill their respective dreams. Ash wanted to become a Pokémon Master for a long time now and the Kalos League was nearly a step away from him. His endearing Kalos team was poised to go beyond the limits once the time came and powerful opponents waited for them. Fresh from her latest victory, Serena now possessed three gorgeous Princess Keys, qualifying her to participate in the Master Class and go toe-to-toe with Aria and few other aspiring Performers for the title of Kalos Queen. Clemont and Bonnie followed along to primarily learn and share their experiences for their own personal growths. For Clemont, it was to become a more decisive, confident, and competent inventor and Gym Leader for Lumiose City. Bonnie was super eager for the day she would become of age and travel around the world as an independent Pokémon Trainer. She has already gained a lot of hands-on experience by taking care of her brother's Dedenne and the mysterious Squishy. Her other main goal was to find a dependable wife for her brother, which was, of course, still a work in progress regardless of Clemont's objections." Go ahead and place your order for the book.
