Reanimator

Keith Davidsen

Reanimator Keith Davidsen

Dr. Herbert West, The Reanimator, returns! Setting up shop in New Orleans, the brilliant Dr. West continues his life's work: the revival of the dead by purely chemical means. To accomplish this task, he recruits Susan Greene, a young and wide-eyed pharmacologist fascinated by his macabre experiments. Initially unfazed by West's unorthodox practices (including how he funds his research - by selling zombie brain fluid as a narcotic), Susan may regret her scientific curiosity as sinister forces - those aligned with Elder Gods and Haitian Voodoo - begin to align against the Reanimator. Dynamite Entertainment proudly resurrects H.P Lovecraft's notorious mad scientist in a fear-fraught tale of Cthulhu tentacle terror and backwater Louisianan superstition!

Bonus features include a thorough "History of The Reanimator" prose introduction by writer Keith Davidsen, an insightful and meticulously researched appendix of Lovecraftian references and creator commentary, never-before-seen design illustrations from artist Randy Valiente, and a complete cover gallery featuring the work of Francesco Francavilla, Jae Lee, Andrew Mangum, Nacho Tenorio, and Tim Seeley.
