The Team: Book One David Salkin

A fast-paced military-espionage adventure, The Team will keep you on the edge of your seat!

The United States Navy All-Star Exhibition Baseball Team boasts fifteen superb athletes who will face the Emir of Qatar's personal baseball team in his private domed stadium. There's only one catch—the United States Navy doesn't have an All-Star baseball team.

When a small army is needed, but the operation must remain covert, the President calls on The Team—a very special ensemble of Marines, Rangers, SEALs and CIA operatives who make up one of the most lethal fighting forces in the US arsenal. Using the baseball team as a cover story, The Team flies to Qatar to find the leader of the New Wahabi Jihad and prevent a terrorist attack.

With the clock ticking and the bodies piling up, only The Team can locate the ruthless fanatics—and try to stop them before they carry out their mission of mass murder.
