## **Bravo For Adventure** Alex Toth

- Alex Toth's magnum opus, collected in book form for the first time ever! This deluxe hardcover edition contains all three of The Genius's stories starring Jesse Bravo, knock-about pilot and reluctant swashbuckler, including the original graphic novel that's been out of print for 30 years. Also included are never-before-seen pencil roughs, preliminary drawings, and story fragments, as well as Toth's own coloring samples for an edition that never saw print, and—freed from storage after 40-some-years of the coloring for what was intended to be *Bravo's* original 1975 first printing in France! It's not just a comics collection, it's a capital "E" Event — the ultimate *Bravo for Adventure*, published by special arrangement with the Toth family!
