I've been writing classic car short stories for seven years, authoring over sixty and nearing 200,000 online "views". I decided to put together my favorite stories from the past, or at least those that seemed best for book format, as a "Greatest Hits" collection similar to Peter Egan's Side Glances. I've published a collection of twenty-six stories covering a wide cross-section of classic car culture. The cars discussed range from the cheapest old Ford truck to the most expensive Ferraris in the world. The adventures range from driving a 1957 M.G.A. in anger at an off-road race in a rock pit, to oogling million dollar cars at the Lime Rock Historics Festival. I'm a little sarcastic and often don't follow the crowd which adds some humor. The book is illustrated with pictures of some of the most famous cars in the world (Sterling Moss' Mille Miglia Mercedes SLR, Nuvolari's Alfa Romeo, Bentley Old Number One, etc).
