## Children's Wordsearch Book

Welcome to this travel-sized (4x6 inches) book featuring 50 puzzles for young wordsearch solvers! Ideal when travelling or simply a fun puzzle to complete at any time of day, this book is a handy size full of fun wordsearch challenges.

Perfect for children aged 4+, this book is a great way to test concentration, help to relax and focus on quiet time. Puzzles start with just 6 words to find in each grid then advance to 8, and then 10 in the harder puzzles.

Easy and medium puzzles introduce the basic wordsearch concepts and only feature words going from left to right and up to down, with no words going diagonally or backwards.

The harder puzzles introduce diagonal words, running from left-to-right or from right-to-left. No words in the book appear backwards.

Children who are solving wordsearch for the first time are encouraged to start at the beginning and work through in order to complete the whole book. Full instructions and a demonstration puzzle are featured at the start of the book and solutions are provided at the back.
