Serving the Amish: A Cultural Guide for Professionals (Young Center Books in Anabaptist and Pietist Studies) James A. Cates

Serving the Amish is a targeted guide for professionals who care for or interact with Plain people: doctors, nurses, law enforcement officers, judges, social workers, psychotherapists, and addiction counselors, among others. For these professionals, knowing the "what" of Amish life is not enough. They must go deeper, understanding the "why"—the ideologies that both drive and bind this community in a system of beliefs that seems alien to those who embrace the technological and social turbulence of the twenty-first century.

James A. Cates draws heavily on his experiences as a clinical psychologist in private practice in northeastern Indiana, a region that is home to more than 35,000 Amish people. He combines anecdotal evidence and first-person narrative to shed light on the social, emotional, and psychological foundations of Amish life to help professionals interact competently and build rapport with Amish clients. He also explains the unique challenges outsiders face in offering aid to a people whose lifestyle and rules dictate a distance from all things worldly.

This practical book balances evidence-based principles of care with an emphasis on reducing anxiety and establishing warm relationships. From the police officer dispersing a party full of Amish *Youngie* to the social worker staffing a child protective services hotline, professionals who work with the Amish will benefit from this one-of-a-kind guide.

Emilie Lechner:

Many people spending their period by playing outside together with friends, fun activity with family or just watching TV all day long. You can have new activity to invest your whole day by reading through a book. Ugh, ya think reading a book really can hard because you have to take the book everywhere? It okay you can have the e-book, having everywhere you want in your Touch screen phone. Like Serving the Amish: A Cultural Guide for Professionals (Young Center Books in Anabaptist and Pietist Studies) which is having the e-book version. So , try out this book? Let's view.

Randolph Urban:

As a university student exactly feel bored in order to reading. If their teacher expected them to go to the library or to make summary for some publication, they are complained. Just minor students that has reading's spirit or real their interest. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that reading is not important, boring along with can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this Serving the Amish: A Cultural Guide for Professionals (Young Center Books in Anabaptist and Pietist Studies) can make you really feel more interested to read.
