## **Ultimate Power: The Universal Science of Love** Linda West

Freedom lover, nature fan, mother and friend of the Earth, Linda West connected a code while studying the Mayan calendar which won her a scholarship to spend time with Terence McKenna in the rainforest of the Mayan ruins in Mexico. While conducting research on the Mayans, the calendar, and the science of frequencies, Linda began receiving messages from the Great Spirit of "White Eagle". Linda says she was asked to write down her breakthroughs and experiences and make them into a book for all mankind to share as we approach the end of the Mayan calendar and take the first steps towards a new more loving era in Earth's history. "It was foretold that at this time we would be receiving gifts to aid in the coming evolution of our world. One of these gifts is the remembrance of the Universal Science of Love, also known as Frequency Attunement. Frequency Attunement is a universal integrated spirit/science, which acts as one of the foundations of creation. It is what we call intuition, or our sixth sense. Frequencies are the subtle unseen vibrations which make up all of creation. They are what compose matter, thought, and energy. They are a measurement of the God-force. This book is meant to simplify the use of frequencies so that you can use this knowledge in your everyday life. You will discover how you can wield the Ultimate Power, and manifest your own personal miracles... This book will transform your life !" Linda West. Clearly written with deep insight, Linda West's book Ultimate Power:The Universal Science of Love is a must read for anyone looking for guidance, healing, inspiration and enlightenment through the use of frequency attunement. Welcome to the world of Frequencies!
