The Girl with the Brass Balls [Siren Menage Everlasting: Erotic Historical Menage a Trois Romance, M/F/M, HEA] Evelyn Collins inherits the family pawn shop and thinks things are starting to change for the better. Now, if she could keep her younger brother out of trouble, and handle two surprising suitors, things would be great. Harve Liddell suffers from the reputation of his family's involvement in organized crime, but Evvie Collins has always treated him as a friend. Far from friendship, he wants to set her blood afire with passion. When Harve's ready to move, he finds Detective Joshua Rosen is, too. For years Josh Rosen has wanted Evelyn in his bed, but stayed away because Jews were second-class citizens in Minneapolis. He's no longer willing to wait. The only thing blocking him is Harve Liddell, and the trouble Josh is sure he's embroiled Evelyn's brother in. He must find a way to trap Liddell without causing Evelyn pain before he can claim her. \*\* Teacher's Pets [Siren Menage Everlasting: Erotic Historical Menage a Trois Romance, M/F/M, HEA] In 1975, a professional woman was probably a feminist and often was an anti-war protester. Professor Leah Morris was both. Now, however, feminism is settling in comfortably and Vietnam is over. When Leah seeks early tenure, she fails on two fronts. She's desperate to prove to her family that she has the same talent for success that they do, and from desperation come sometimes-brilliant ideas. With the concept of a unique, new book, her dream of proving herself to her family may finally come true. Leah carefully selects Beau Johnson and Steve Hardin to help fulfill her plan, only discovering too late that she swore ten years earlier she'd never again speak to one of them, and that both are out of the war, but still in the Corps. Are the teacher's pets carrying too much baggage for Leah, or is that "baggage" really a comfy sleeping bag, large enough for three? \*\* A Siren Erotic Romance
