Welcome to the spirit, moods and amazing views of the wonderful world of West Cork, truly a place apart. A world of stunning landscapes, craggy cliffs, colourful villages, wild bogland, glorious harbours, fabulous beaches, and rocky mountains; West Cork stands apart as one of the most desirable places to live, work, and visit. The famous spots are all here: Mizen and Beara, with their extraordinary seascapes; Baltimore and Schull, beloved of sailors from all over the world; Gougane Barra, with its timeless peace - and many, many more. There are secret places too, off the beaten track, and the book takes the reader down many side-paths and byways to hidden corners and unexpected treasures, sharing on the way some of the legends and traditions of this region - and always the most wonderful and heartstopping scenery. From a writer and photographer team who lovingly share their responses to the region they are lucky enough to call home: Jo Kerrigan, historian and journalist with national and international publications, and Richard Mills, multiple award-winning press and wildlife photographer.
