Avoid “analysis paralysis” and just get started!

The Milken Award-winning educator and author of *Using Power Standards to Build an Aligned Curriculum* shows how to implement the new Common Core State Standards. This book outlines his proven process for building a guaranteed and viable local curriculum based on the CCSS, and includes:

- A system for creating local standards from the CCSS
- Methods for connecting the common, formative assessments to quarterly instructional objectives
- Ways to scaffold learning expectations

Readers will find helpful charts and graphs plus access to Internet-based software for mapping the CCSS to classroom instruction.
