Rose Payne is heartbroken when her secret betrothal to a duke's son results in public scandal and her dismissal from her position as a clerk in his noble household. Desperate for work, she signs up for a risky colonial venture and sails for the New World, vowing never again to fall for a wealthy gentleman. Sailing home after a diplomatic tour in London, Chief Manteo is bewitched by the intelligent, fiery-haired, working class girl and determined to overcome her distrust of men. A titled and powerful man on two continents, he is everything she thinks she isn't looking for. But a man in his position never backs down from a challenge. He contrives a daring plan to win her heart — a plan he prays will protect her from a conspiracy involving murder, blood money, and a terrifying betrayal aboard their fleet of ships. **BREAKING TIES** is based on the story of the Lost Colonists from Roanoke Island. Pure historical fiction with a delightful twist of romance!
