His Commander, Justin, suggests they might have the wrong woman. Mitch visits his prisoner and is stunned by his body's reaction to the pretty captive. She may not be the spy, but is she the perfect wife for him and his half-brother, Daren Connor? If so, can they convince her to marry them? Mitch and Daren head a community of two families whose members have various special abilities. The men have heightened senses that give them extraordinary fighting skills, and they undertake dangerous secret missions for the government.
