**Invisible Men: Finding, Engaging, and Inspiring Men in Therapy** David Grove

Why is it so difficult to engage men in the therapy process when a family runs into difficulty?

The reasons are many, but the upshot is singularly unproductive, even destructive. And yet it continues to be a problem for therapists -- and families.

Invisible Men offers insight into the problem as it manifests across numerous specific situations. More important, the authors demonstrate a host of innovative approaches to making men an integral part of the solution picture. Ample case material brings the perspective to life, taking it from theory to application.
