**Twenty years after the publication of the bestselling *All's Fair*, James Carville and Mary Matalin look at how they—and America—have changed in the last two decades.**

James Carville and Mary Matalin have long held the mantle of the nation's most ideologically mismatched and intensely opinionated political couple. In this follow-up to *All's Fair*, Carville and Matalin pick up the story they began in that groundbreaking bestseller and talk family, faith, love, and politics in their two winning voices. If nothing else, this new collaboration proves that after twenty years of marriage they can still manage to agree on a few things. A fascinating look at the last two decades in American politics and an intimate, quick-witted primer on grown-up relationships and values, *Love & War* provides unprecedented insight into one of our nation's most intriguing and powerful couples. With their natural charm and sharp intelligence, Carville and Matalin have written undoubtedly the most spirited memoir of the year.
