Complete profiles of today's most successful annuities... Expert tips on how to maximize your returns...

Variable annuities now outpace mutual funds as the number one choice among street-smart investors--and it's easy to see why. Tax-deferred, commission-free, easy to purchase and redeem, carrying less risk than most other instruments, and exhibiting a superb overall performance, they are an indispensable addition to any low-risk, high-yield portfolio. Now, in the first book of its kind, financial planning expert Gordon Williamson demystifies annuities investing. Writing in a straightforward, down-to-earth style, he:

- * Clearly explains how annuities work, profiles their return potential, and frankly assesses their relative advantages and disadvantages
- * Steers you to the 100 best annuities for your investment dollar
- * Emphasizes risk reduction without sacrificing returns
- * Supplies complete annuity profiles, including average annual returns over the past 3, 5, and 10 years
- * Ranks and evaluates today's entire spectrum of annuity products--aggressive growth/small cap, international, growth and income, balanced, money market, and more
- * Pinpoints the best performing variable annuities
- * Includes investment options within each annuity recommended

The word is out: variable annuities are one of the best investment instruments developed in this century. Now find out how you can take full advantage of their unprecedented earning potential with **The 100 Best Annuities You Can Buy**.
