The Griffin Mage trilogy, now complete in one volume, tells the story of the war between men and griffins -- and the young girl, torn between two worlds, who will decide the fate of all.

Little ever happens in the quiet villages of peaceful Feierabiand. The course of Kes' life seems set: she'll grow up to be an herb-woman and healer for the village of Minas Ford, never quite fitting in but always more or less accepted. And she's content with that path --- or she thinks she is.

Until the day the griffins come down from the mountains, bringing with them the fiery wind of their desert and a desperate need for a healer. But what the griffins need is a healer who is not quite human... or a healer who can be made into something not quite human.

This omnibus edition contains the complete Griffin Mage trilogy: *Lord of the Changing Wind*, *Land of the Burning Sands* and *Law of the Broken Earth*.
