## **Advancing Your Photography: A Handbook for Creating Photos You'll Love** Marc Silber

In *Advancing Your Photography*, Silber provides the definitive handbook that will take you through the entire process of becoming an accomplished photographer. From teaching you the basics to exploring the stages of the cycle of photography, Silber makes it so you can master the art form.

Purposefully compact, this handbook is meant to fit in your camera bag as it will be your guide and coach as you expand your artistic endeavor.

Photography and the technology associated with it is constantly evolving, but the fundamentals remain the same. *Advancing Your Photography* will carry you forward in a lifetime of pursuing the art and chairmanship of photography.

What you'll learn from this book:

- \* The top tips for making outstanding photographs from Ansel Adams and other top photographers ? with many examples and step by steps to implement
- \* How to put this advice into use and train your eye to see composition with emotional impact
- \* Know and master the key points of operating your camera like a pro
- \* How to capture remarkable photographs with more tips from the pros
- \* How to process your images to professional standards

From the book:

"What makes this books so powerful is that I have been able to distill from my 1000s of hours of interviews with top photographers high level knowledge, that would take decades to acquire ? but I have presented this knowledge in a way that even a new photographer can grasp and put right to work. If someone applies themselves and rolls up their sleeves, with this handbook, they can become an excellent photographer and make photographs that they and others will love."
