## **Emil Nolde: My Garden Full of Flowers** Manfred Reuther

This new title in DuMont's themed Emil Nolde series is devoted to the painter's garden and flower pictures. Wherever he settled, Nolde always planted a flower garden. Nolde's garden at Seebüll is a particular focus of this volume, and one of the artist's most marvelous creations, designed as it is around motifs using the initials A and E (for his wife Ada and his own name). A sumptuous compilation, this new edition of *My Garden Full of Flowers* includes larger plates.
