This package includes MyCommunicationLab®*

A streamlined approach to communication that emphasizes real-world applications

Essentials of Human Communication provides a streamlined overview of the essential theories, research, and especially the skills of human communication, highlighting practical applications in the workplace and beyond. Author Joseph DeVito gives students the knowledge and tools they need to build greater competence in three key spheres: interpersonal communication, small group communication, and public speaking. The **Ninth Edition** fully integrates the latest research as well as updated examples, photos, and cartoons to keep the text current and pedagogically effective.

Enhance learning with MyCommunicationLab

MyCommunicationLab for the Introduction to Communication course extends learning online to engage students and improve results. Media resources with assignments bring concepts to life, and offer students opportunities to practice applying what they've learned. Please note: this version of MyCommunicationLab does not include an eText.

Essentials of Human Communication, Ninth Edition is also available via **REVEL™**, an interactive learning environment that enables students to read, practice, and study in one continuous experience.
