We women are busy. Busy trying hard. Busy working to do things right. What would it be like if we heard words, just for us, reminding us what is most true about our identities, about our life, about God? Would life be different then? Would we be different? Can you imagine?

Loop is a one year, twice-a-week, Christian devotional for busy women. It is a collection of whispers to women, encouraging them to lead lives that are less "filled" with things to do and check lists to complete and more "full" of love from God.

Loop is for women who are busy. Women who are weary. Women who are lost. Women who are finally ready to lay down their burdens. Women who are eager to abandon the lies they've been believing-about God, about themselves, about how they are made and what they are designed to do.

Loop is written for you.
