What would it be like to actually get away and be with God? What would it be like to spend more than 5 minutes with God without looking at one's watch, wondering how to fill the time?

Sacred Space blends the ancient practices of the 12 stations of the cross and the "prayer path," and brings it into the everyday lives of youth and young adults. Inside Sacred Space readers will find stations for prayer and reflection on the Scripture designed to give them a new perspective on their everyday life settings. Young Christians will walk through meditations that can be practiced anywhere the mall, a park, a campus, on a mission trip, or even at home. There are also traditional meditations, and an explanation of how to set up a traditional prayer path for their group.

Sacred Space is about turning everyday space into sacred space and integrating the ancient practices of the faith into everyday life.
