Constance Howard

The Constance Howard Book of Stitches Constance Howard

Embroidery legend Constance Howard brings her formidable knowledge of needlework to this creative, innovative, and comprehensive guide to stitching. Using her techniques, and the dozens of close-up photographs and diagrams, it's remarkably easy to create spectacular textures, patterns, and effects in just a few simple steps. See what happens when a stitch is worked in different threads, and learn how to change the scale of a stitch, combine stitches to make new ones, and alter the angle of the stitch. And it's amazing how much is covered: seeding, Japanese darning, a variety of stem stitches, buttonholes and variations, the twisted fly, herringbone, cable chain, zigzag coral, Portuguese border, detached loop, and many, many more. It will enhance any embroiderer's stitching repertoire.

From reader reviews:

Oren Nelson:

Nowadays reading books be a little more than want or need but also get a life style. This reading addiction give you lot of advantages. The huge benefits you got of course the knowledge the particular information inside the book that improve your knowledge and information. The details you get based on what kind of publication you read, if you want send more knowledge just go with training books but if you want really feel happy read one with theme for entertaining for example comic or novel. The actual The Constance Howard Book of Stitches is kind of book which is giving the reader unstable experience.

Helen Chandler:

People live in this new day of lifestyle always make an effort to and must have the spare time or they will get wide range of stress from both everyday life and work. So , when we ask do people have spare time, we will say absolutely sure. People is human not just a robot. Then we ask again, what kind of activity do you have when the spare time coming to anyone of course your answer will certainly unlimited right. Then ever try this one, reading publications. It can be your alternative with spending your spare time, the book you have read is The Constance Howard Book of Stitches.

Diane Welton:

Reading a book for being new life style in this yr; every people loves to read a book. When you examine a book you can get a lots of benefit. When you read ebooks, you can improve your knowledge, due to the fact book has a lot of information into it. The information that you will get depend on what kinds of book that you have read. If you would like get information about your analysis, you can read education books, but if you want to entertain yourself you are able to a fiction books, these us novel, comics, in addition to soon. The The Constance Howard Book of Stitches will give you a new experience in reading through a book.

William Hayes:

Reading a publication make you to get more knowledge from this. You can take knowledge and information from the book. Book is created or printed or descriptive from each source this filled update of news. In this particular modern era like today, many ways to get information are available for anyone. From media social such as newspaper, magazines, science e-book, encyclopedia, reference book, fresh and comic. You can add your knowledge by that book. Isn't it time to spend your spare time to spread out your book? Or just in search of the The Constance Howard Book of Stitches when you desired it?
