Kendall has just discovered who Emily really is, lost her boyfriend, and nearly died doing the thing she loves most—ghost hunting. It's time to take a break and try to reconcile all the changes she's going through. So Kendall heads to the Sierra Mountains, where there's a camp especially for young people with gifts such as hers. It's a time for reflection and self-discovery.

But when she gets to California, she once again finds restless spirits—and the boy in her last vision. It may be the end of one chapter of her life and the beginning of a new one.
