The Eastern / Greek Orthodox New Testament: Volume 1: The Gospels

Fr. Laurent Cleenewerck

The Eastern / Greek Orthodox New Testament: Volume 1: The Gospels Fr. Laurent Cleenewerck

A pocket size edition of the Eastern / Greek Orthodox New Testament (EOB). Volume 1 includes the Introduction to the EOB and the Holy Gospels of Matthew, Mark, Luke and John. About the EOB The EOB New Testament ... is based on the official ecclesiastical text published in 1904 by the Ecumenical Patriarchate of Constantinople (again documenting all significant variants to the Critical Text, Majority Text and Textus Receptus). It also provides extensive footnotes and Appendices dealing with significant verses such as Matthew 16:18; John 1:1,18; John 15:26. The Patriarchal text was selected on Mount Athos from among a large number of reliable ecclesiastical manuscripts and appears to be identical or similar to Minuscule 1495 (KR subgroup). The main purpose of the EOB is to provide an accurate and easy-to-read English text of the Holy Scriptures that is suitable for use by Orthodox Christian communities and individuals, while providing an outstanding text for scholars.
