The Unwritten Order: Hitler's Role in the Final Solution Peter Longerich

The fact that the Holocaust was the result of conscious decisions made by the highest levels of the Third Reich has been under-emphasized. Although it would be a mistake to put the murder of the Jews down to Hitler's will alone, it is time to make clear that Hitler was the driving force behind radicalization of the National Socialist policy of extermination. Without Hitler there would be no Holocaust. This book offers documentary proof of Hitler's central role in the murder of European Jews. Various documents and fragments of documents have been pieced together and the codified language of the dictator has been deciphered.
