The Money Grip saga continues! In this long awaited sequel to Money-Grip, Rasheen Smith fights his way out of a bullet wound induced coma, back from the dark edges of death, into the world of the living. Beaten down, spiritually drained and emotionally depleted, Rasheen is resurrected with a newfound realization. He has grown weary of the senseless bloodshed and carnage. He is also a father and wants to be a good dad to his newborn son. But in order to do that he has to break free from his past. He wants to leave the violent, gun blazing, fast money making lifestyle alone, but his prior acts and deeds won't allow it. Vendettas, beefs, and old conflicts with a Columbian Cartel, the Dominican Mafia, Killer Kato's loyal associates, and most of all, the rogue FBI agents, Aaron Wilson and Keith Ramsey, confront Rasheen with the force of a level five Hurricane. Locked in a kill or be killed situation, Rasheen is torn between two diametrically different Worlds, both pulling him in opposite directions. Faced with the ultimate choice of his life, Rasheen must choose a path, and the route he selects, will determine whether he and the people he loves will live or die.
