Call the Nurse: True Stories of a Country Nurse on a Scottish Isle Mary J MacLeod

A Wall Street Journal Bestseller

Tired of the pace and noise of life near London and longing for a better place to raise their young children, Mary J. MacLeod (known to all as Julia) and her husband encountered their dream while vacationing on a remote island in the Scottish Hebrides. Enthralled by its windswept beauty, they soon were the proud owners of a near-derelect croft house—a farmer’s stone cottage—on “a small acre” of land. Mary assumed duties as the island’s district nurse. *Call the Nurse* is her account of the first enchanted years she and her family spent there, coming to know its folk as both patients and friends.

Gaelic fortitude meets a nurse’s compassion in these wonderful true stories from rural Scotland. The remarkable debut of an author now in her eighties, *Call the Nurse* is a treasure of sweet nostalgia.

Skyhorse Publishing, along with our Arcade, Good Books, Sports Publishing, and Yucca imprints, is proud to publish a broad range of biographies, autobiographies, and memoirs. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
