## **Cardinal and Gold: The Oral History of USC Trojans Football** Steve Delsohn

From celebrated sports journalist Steve Delsohn comes the true story of University of Southern California football, told by those who know it best--the players, coaches, and everyone else who made USC football one of the most legendary programs in America. Over the years, USC has been surrounded by controversy, even as it won 11 national titles and produced six Heisman winners and numerous future NFL stars. This book will tell the story of the program at its best and worst, with a special focus on the past 40 years, starting with the "Tailback U" dynasty years of the 1970s--when the school won three championships in less than a decade--right up through the modern era in which iconic figures such as Pete Carroll and Reggie Bush had tremendous success and went on to NFL glory, but left tremendous controversy in their wake.
