Production for Graphic Designers 4th edition Alan Pipes
Computer technology has completely revolutionized the work of graphic designers, printers, and print-production professionals. This completely revised fourth edition of Production for Graphic Designers embraces all the new and emerging technologies in graphics and print production, comprehensibly explaining the pre-press and printing processes. It also covers new workflows and spells the dizzying array of acronyms encountered by today's designers. As well as covering print, it provides an authoritative guide to working in digital media, particularly the Internet.
