Re-Introduction Etudes

Twenty-Four Easy-To-Master, Fun-To-Play Piano Pieces.

eBook with sheet music, text in English, French, German and audio recordings of each étude performed by Chilly Gonzales.

Chilly Gonzales brings some of the joy back to the lapsed amateur pianist with these Re-Introduction Etudes, specifically designed to unlock musical mysteries for those who gave it up.

A beginner's music reading ability is recommended to get the most from these 24 etudes. Gonzo gives his take on how melodies are designed, how harmony works and most of all, how to use special piano secrets that other books don't dare to explain.

The audio recordings of the 24 pieces go a long way to getting the music into the piano student's head, so it can then spill out onto the keys.

« My goal is to get you sitting down at the piano and enjoying yourself. I made the pieces as fun as possible to play after only a few tries. Go ahead. Meet music. Don't be shy. RE-INTRODUCE YOURSELF! » Chilly Gonzales
