Meet Victoria Brown, Kimi Oliver and Lady B Johnson, three gorgeous, longtime friends who get along well together, or so they think. All friends from a young age to adulthood, two of them even own a business together. Their lives are full and they are content. That is, until LadyB meets the handsome Joey Tillman, a heart-throb to most women and player to all. Charming and delightful, Joey thinks he has caught a beautiful sex toy to play with when he spots LadyB one day on the street. What he doesn't know is that LadyB falls hard and a controlling type who doesn't take rejection at all. He meets Victoria while on vacation in California at the same time that he decides to help a friend in an illegal business. This is a chance meeting which turns Joey from charming womanizer to a man in love and changes his life and the lives of everyone else forever. He returns from California, setting off a chain of events, from which no one will ever forget or recover.
