Shimon Bar Yohai

The Zohar: Volumes 1-23 Shimon Bar Yohai

First edition - Revised - in original publisher plastic wrap Zohar is a Hebrew word that means splendour. In its simplest form, the "Zohar" is a commentary on the Bible. Although the wisdom available in its pages is older than "Creation" itself, the text of the "Zohar" was composed approximately 2000 years ago. In the centuries that followed, the "Zohar" was often suppressed by religious and secular authorities who feared its power to transform the lives of those who gained access to the sacred writings. The sages of Kabbalah also realised that the "Zohar" must wait until humankind was ready to receive it. Michael Berg was the first person ever to translate the entire 23-volume "Zohar" from ancient Aramaic into English, a monumental task which he began at the age of 18 and finished ten years later. Through his translation we discover the "Zohar" deals very directly with concepts of reincarnation, visionary experiences, and the presence of unseen influences in our midst. Today we are able to accept these ideas that were once perceived as inexplicable mysticism or dangerous sorcery. We have the capacity to understand the "Zohar's" true teachings. This is a difficult experience to describe, but by bringing the "Zohar" into your life, you will discover its meaning for yourself.
