Vespasian (Roman Imperial Biographies)

Barbara Levick

Vespasian (Roman Imperial Biographies) Barbara Levick

From a pre-eminent biographer in the field, this volume examines the life and times of the emperor Vespasian and challenges the validity of his perennial good reputation and universally acknowledged achievements. Levick examines how this plebeian and uncharismatic Emperor restored peace and confidence to Rome and ensured a smooth succession, how he coped with the military, political and economic problems of his reign, and his evaluation of the solutions to these problems, before she finally examines his posthumous reputation.

Now updated to take account of the past 15 years of scholarship, and with a new chapter on literature under the Flavians, *Vespasian* is a fascinating study for students of Roman history and the general classical enthusiast alike.
