Encyclopedia of Interpersonal Violence

"From assisted suicide and batter women to human trafficking and sex offenders, this guide provides an excellent overview of the state research on interpersonal violence. This set is highly recommended for academic libraries."

?John R. M. Lawrence

Interpersonal violence is behavior that intentionally threatens, attempts, or actually inflicts harm on another. This violence invades both the public and private spheres of our lives; many times in unexpected and frightening ways. Interpersonal violence is a problem that individuals could experience at any point during the life span?even before birth. Interpersonal violence is experienced not only throughout the life course but also as a global problem in the form of war, genocide, terrorism, and rape of women as a weapon of war.
