Eternal Hostility: The Struggle Between Theocracy and Democracy Frederick Clarkson

What is behind the violence against abortion clinics, attacks on gays and lesbians and the growing power of the religious right?

Frederick Clarkson makes it clear that beyond the bombers and assassins who sometimes make news, is a growing, if not well understood, movement that encompasses Pat Robertson's Christian Coalition, the Unification Church of Sun Myung Moon and the Promise Keepers--the lead agency of the so-called Christian men's movement.

Drawing on years of rigorous research, Clarkson exposes the wild card of the "theology of vigilantism" which urges the enforcement of "God's law" and argues for fundamentalist revolution against constitutional democracy. Contrary to popular belief, these figures are usually neither nuts nor alone.

ETERNAL HOSTILITY concludes with a challenge to leading neoconservative academics who attempt to blame much of the current culture wars on the legalization of abortion while ignoring the theocratic intentions of leading "conservatives."
