Face Time (Happily Ever Asia) (Volume 1) S J Pajonas

After the best first date ever, Lee thought Laura was funny, intelligent, and impulsive, and Laura loved Lee's sweet smile and the way he expertly filled in every awkward pause. It was the date to end all dates. What could possibly be wrong? Just the 7000 miles that separates them the next day. Their situation, though, doesn't mean the dates have to end while Lee is in Seoul. Picking up where they left off, Lee and Laura continue with their relationship long distance, diving deeper into their personal lives and turning up the heat... Until Laura's past and Lee's family throw them even farther apart. Will their differences stop the relationship before they see each other again? Told from both Lee and Laura's point of view, FACE TIME is a funny, romantic, modern-day story about two people who connect across the world.
