*Feng Shui Before and After* uses the ancient art of feng shui to help you improve the energetic quality and visual appeal of your home or office. The book tells you how to find your most and least fortunate directions, your element and star number, and how to use the "magic square" to discover which sectors of your house relate to specific areas of your life.

This book will show you how to transform your home or office, restoring harmony and maximizing the flow of good energy or "ch'i" in your life by doing things as simple as rearranging furniture, redecorating using the right colors, or adding a mirror, plant, or wind-chime. With beautiful "before and after" color photographs and informative text, this title contains everything you need to improve any area's feng shui.
