Macromedia Fireworks Fast & Easy Web Development Lisa Lee

Fireworks allows you to design editable Web graphics in an instant, as well as automate workflow to meet the demands of constant edits, updates, and changes. It can also be integrated with other Macromedia products, popular graphics applications, and HTML editors for a complete Web solution. Fireworks Fast & Easy Web Development helps you get up and running with Fireworks even if you have no graphics experience. It includes a CD that contains cut and paste templates, which can be used to get a jumpstart in creating Web graphics. It is a great visual guide for graphics beginners, small businesses, students, or business professionals with little or no previous experience with this topic.
