This exciting debut novel tells the story of one young woman who's willing to take a chance on the right man--almost. . .

Twenty-something public relations gem Jules Jackson has everything in her life under control, and that's exactly the way she likes it. She's got no problem handling two jobs, her crazy friends, and her difficult mother. But she's just about given up on men--until she meets fine Germaine Williams...

Straight-up catch Germaine is eager to prove his worth to Jules, and she falls hard. But it's soon clear Germaine's keeping at least one big secret. And the deeper Jules digs, the more her balancing act, and her romance, begins to crumble. Now Jules can either turn to her faith and open her heart to love--or risk getting it broken. . .
